Exceptional Experience

wave60

Maytronics – The trusted name for commercial pool cleaners

Powerful Heavy-Duty Performance

Powerful cleaning performance with exceptional reliability. Maytronics commercial robotic pool cleaners promise, and deliver a long-term, cost-effective operation.

Professional Pool Cleaning

Advanced technologies provide comprehensive scanning of the entire pool and highly effective pool brushing and filtering throughout, for clean, safe, and pure pool water.

Solution for every public pool

With proven solution for any commercial pool, from small public pools to the largest and professional pools worldwide - Maytronics is the ideal pool cleaner choice.

Service and Support

When you buy a Maytronics pool cleaner, you are also purchasing exceptional customer service and support by Maytronics product experts.

maytronics

wave60

Automated robotic cleaning for shallow pools

A proven workhorse, the Maytronics Wave 60 robotic pool cleaner is the ideal solution for small hotel, condo, and apartment pools up to 50 feet. The Wave 60 saves you valuable time when it comes to maintaining your facility pool with its easy, plug-and-play operation. This robot ensures comprehensive cleaning with its superior filtering capabilities, and highly effective scrubbing of the floor, walls, and waterline. With the Wave 60, you can rest assured your guests are swimming in healthy, sparkling water.
