

CARBONLITE

Made for Extreme Jobs and Serious Pool Cleaning

The All New CARBONLITE is unlike any pole on the market.

The proprietary manufacturing process used for this Carbon Fiber pole warrants it as the strongest pole in the industry. Fully extended with heavy weight on the end and this pole still has virtually no bend. This pole is ideal for anyone who uses heavy vac systems, or is looking for a stronger AND lighter pole than the industry standards. A pole made for the dedicated service professional who is willing to pay for the best.

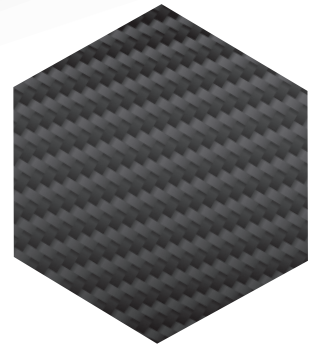

NEW from SKIMLITE

10x Stronger and 40% Lighter than aluminum!
