Add style and elegance to your pool without sacrificing functionality or safety. Introducing The Solarian—an affordable, ADA compliant line of themed pool deck equipment. Ladders, rails, lifeguard chairs, diving boards and pool blanket winders are all designed to give your pool an updated, harmonized look. Our products are made of 304L (or 316L upon request) US stainless steel, electropolished and passivated with Spectra Shield™ for maximum corrosion resistance. Powder coating options available. Products can be purchased in any combination as well as individually.
